It has been informally ascertained that the post of Addl.Secy. The intention of F.D.Memo at p.1 ante is to enforce these orders. In their applications to officers mentioned in para 2(a) of the said Govt. of India's Memo.

Para 2 3(c) relates how the cut is to be effected. It is to be read with para 2(a) hence it appears that the cut is not applicable in the case of Addl.Secy. This may be got confirmed by the F.D. after the Secretary has seen.

2. The Govt. of India's scheme.

Re: emergency deductions from and payed compulsory saving ; is at present applicable to only to the officers mentioned in para 2(a) of the Govt of India, Ministry of Finance, Office Memorandum No.F.23-(7)-EV/49 dt.15.11.49 The question re: making this scheme. applicable to Govt. servants under the rule making control of this Govt, is under consideration of Govt. The Addl Secy. of the L.D. is a reemployed pensioner, and is under the rule making control

of the Bombay Govt. His case will thus be automatically covered by the general Orders, which are proposed to be issued shortly.

Government orders making the scheme applicable to Government servants under the rule-making control of the Bombay Government have been received.
F.D. will issue the necessary orders shortly. The difference will be that while officers belonging to the (former) Secretary of State's service will undergo the cut in respect of pay or leave salary received on 1-12-1949, other servants of the Government (like Mr Dhurandhar) will be subject to the cut etc in respect of pay or leave salary drawn from 1-1-1950.

There seems no objections, however, to Addl. Secretary L.D. voluntarily agreeing to the cut etc in respect of pay drawn on 1-12-49 he decides to do so inspite of what is stated above.

2. Though some of the consideration mentioned by me in the note on Mr. Joshipura's case do not apply here - e.g. there is no question of indirect pressure-complications I am of the opinion that needless complications will arise on account of any voluntary surrender outside the Govt. scheme, and that such complications had better be avoided. In this instance, for example, there is (under the Provincial Govt's orders since issued) a compulsory cut for pay drawn in January, 1950 & subsequent months. The volantary cut is only in respect of pay for November drawn in December. The amounts compulsory cut in

January & thereafter will of course not count from income tax. But the amount voluntarily surrendered in December will still figure as part of the salary for income tax purposes: a position which is rectified only in regard to High Court Judges etc. by a Govt. of India. ordinances. I do not think it is practicable now to ask the Govt of India to extend their ordinance to cover ad hocs Cases such as this; While at the same time, without such extension, accordance of a voluntary cut will imply reduction in salary without corresponding reduction in income-tax. There is no doubt of course that the spirit of such an offer will be appreciated by Govt. But I remain of the view that as a matter of policy, Govt. should, without exception, decline to accept any voluntary ~~offiexx~~ offer outside the purview of the ordinance.

G. of I.'s scheme, announced recently, comprises:

(i) voluntary cuts for High Court Judges etc.;

(ii) Compulsory cuts for officers on Rs.2 3,000 and above; and

(iii) Compulsory savings for others (down to Rs.250)

2. This Govt. has adopted a scheme on the same line for categories (ii) and (iii) in so far as they fall within its rule making control.

3. Mr. Joshipura belongs to category (iii). The question is whether his offer of a voluntary cut should be accepted, notwithstanding that, under the clear-cut plan adopted by Govt., persons of his category are required only to contribute certain sums to their Provident Funds. His offer is prior to the announcement of the Govt. of India scheme; and the orders of this Govt. have not yet reached. him. Even if, thereafter, his offer still stands, I think as a matter of policy, Govt. should not accept the offer. Acceptance would create the impression that Govt. desires to encourgge voluntary cuts, in addition to compulsory savings; and the spread of any such impression is undesirable for obvious reasons: e.g. it may have in some instances the same result as indirect pressure, even tho' Govt. intends no such pressure. Moreover the amount surrendered will continue to count for purposes of income tax.

4. I think therefore that Mr.J. should be informed in suitable terms that his offer is not accepted.

I M M E D I A T E:

No.F.23(7)-EV./49.
GOVERNMENT OF INDIA
MINISTRY OF FINANCE
DEPARTMENT OF REVENUE AND EXPENDITURE.

NEW DELHI, THE 28th NOVEMBER, 1949.

O F F I C E M E M O R A N D U M.

SUBJECT : - EMERGENCY DEDUCTION FROM PAY FOR CERTAIN GOVERNMENT SERVANTS, AND COMPULSORY SAVINGS FOR OTHERS.

In continuation of this Ministry's Office Memorandum No.F.23(7)-EV/49, dated the 15th November, 1949, the undersigned is directed to communicate the Governor-General's decision on the manner of application of those orders to contract officers, and on certain other points.

2. CONTRACT OFFICERS. All contracts generally contain a clause to the effect that in respect of any matter for which no provision has been made in the agreement, rules and orders applicable to other Government servants will apply. This condition is also implicit in any contract which does not specifically include this clause. Every contract will therefore be deemed to permit of a compulsory deduction as savings, and contract officers on a pay below Rs.3,000 will be liable to subscribe compulsorily to a provident fund in terms of para. 5 of the Office Memorandum of the 15th November 1949.

Every contract officer on a pay of Rs.2,750 or above, whose contract does not permit of a compulsory cut should be requested immediately to state in writing whether he desires to offer a voluntary cut, on the scale prescribed in paragraph 3 of that office memorandum, in modification of the terms of the contract. If he makes the offer, it should be formally accepted, and the offer and the acceptance recorded in writing; and the contract will be deemed to have been modified to that extent by mutual agreement between the employer and the employee. Income-tax will then be calculated on the income so reduced. If any officer does not desire to have his pay reduced, he will become liable to subscribe compulsorily to a provident fund at the rates prescribed in paragraph 5 of the office memorandum of the 15th November 1949.

Contract officers of non-Asiatic domicile will remain exempt from these orders.

3. Ministers are requested to ensure that all statutory corporations and other quasi-Government bodies, who generally apply to their servants conditions of service similar to those of Central Government servants, follow the orders in the office memorandum of the 15th November 1949.

4. OTHER MATTERS:

(1) All I.C.S. officers have to subscribe to the I.C.S. Provident Fund and to one or other of the Family Pension Funds, or to the I.C.S.(Non-European Members) Providant Fund in lieu of a Family Pension Fund. For the sake of uniformity, compulsory subscriptions by all I.C.S. officers under the orders of the 15th November 1949 should be to the I.C.S. Provident Fund. The minimum rates of subscription prescribed in para. 5(1) of these orders will be inclusive, for I.C.S. officers, of the subscriptions to both the Funds.

(2)....

(2) When an officer, who is subjected to a cut in pay, is on different rates of pay for portions of a month, or is in receipt of pay and leave salary for different portions of a month, the amount of deduction will be calculated separately for each portion of the month.

(3) When an officer proceeds on leave, his liability under para. 3(a) of the orders of the 15th November 1949 to an emergency deduction in pay will be determined by his pay immediately before proceeding on leave. The deduction will be made only during leave on average pay during which leave salary is not subjected to the absolute maximum prescribed in F.R.89(2), and not during other leave; and will be calculated on the leave salary in the same ratio which the cut in the officer's pay bears to his pay.

When, however, an officer's leave salary during leave on average pay is below Rs.2,750, the deduction will not be made. He will be required, instead, compulsorily to subscribe during that period to a Provident Fund in accordance with para. 5 of the orders of the 15th November 1949.

These orders will apply to an officer on leave during any part of November 1949.

(4) The term "pay" is used in these orders in the sense defined in the Fundamental Rules.

(5) When an officer's pay is subjected to an emergency deduction, calculations of house-rent deduction, etc., when based on pay, will be made on the reduced pay.

(6) For purposes of deduction and of calculation of compulsory subscription to a Provident Fund, only that portion of the pension actually included in the emoluments of a re-employed pensioner will be taken into account, and not any portion which has been commuted or held in abeyance.

(7) When a Government servant to whom the orders of the 15th November 1949 apply is transferred to foreign service, care should be exercised to see that the terms of appointment on foreign service specifically include the applicability of these orders during the period of foreign service.
